Great Oak Academy 2022-23 Field Trips

General Information re: GOA Field Trips:

- Field trips are made available for Great Oak Academy families, although participation is optional.
- Most field trips are open to all students and are not limited to a specific class.
- More detailed information is provided a few months before each field trip (times, cost, etc.).
- After families reply with interest to an initial email re: each specific field trip, they are then put in touch with one another to coordinate carpooling, etc.
- Parents are encouraged to attend field trips with their students but are not required. A family may arrange for their student(s) to attend with another participating Great Oak Academy family.
- Extended family members (grandparents, siblings, etc.) are welcome to join us on most field trips.

For specific field trips scheduled for 2022-23,
