

## Supply List for Weekly Classes 2011-'12

[www.GreatOakAcademy.com](http://www.GreatOakAcademy.com)

- Notebook: 2 -inch, 3-ring binder (D ring preferable)
- College-ruled loose leaf paper
- 16 pocket dividers, labeled 1 – 16 (Plastic ones hold up best.)  
(Anatomy and Physiology students need 22 pocket dividers, labeled 1 – 22.)
- Pencils (preferably mechanical), black or blue pen, red pen
- Calculator (any style the student would use in their current math course)
- Colored pencils for all students except Chem. and Adv. Chem. (PRISMACOLOR brand is best.)
- Camera (optional, but helpful)
- Water bottle (water only, please)
- Food may be eaten with permission. (Neither microwave nor refrigerator are available for food.)

### Classroom Supplies from each student, to be kept in class

Families with last name A – J, bring these in August; K – Z make a note in your calendar to bring these in January.

- Paper towels (3-pack), 1 ream of copy paper (any color), 20 envelopes (size # 10)

### Additional Supplies for Specific Courses

Please write student's name on all personal materials.
