

Shared Classroom Supplies from each student, kept in class (Bring to 1ST class or submit a check for \$15 per student.)

- Disinfecting wipes
- 1 ream of white printer paper
- 20 envelopes, peel-and-stick type (to fit folded 8 ½" x 11" pages)
- 1 poster board, any color
- 1 plastic soda bottle (2-liter size, any color, clean & dry, cap & label removed)

When shared classroom supplies are turned in, please check off the student's name on the clipboard. →

**Weekly students need the following supplies with them in their book bag:**

- Notebook: 2 -inch, 3-ring binder (D ring preferable)
- College-ruled loose leaf paper
- 16 pocket dividers (NOT regular dividers. Plastic ones hold up best.) →
- Pencils (preferably mechanical), red pen, yellow highlighter
- Camera (optional, but helpful)
- Calculator (Very small and simple is fine.)
- Colored pencils (PRISMACOLOR brand is best, but not required.)
- 1 pack or pad of ¼ inch graph paper, 8½ x 11 inch
- 100 index cards (lined)

← Pocket dividers (NOT regular dividers)

These 4 items are not needed by Chemistry students.
Chemistry students: Bring \$10 to 1ST class for a special calculator.

Additional Supplies for Specific Courses: Write student's full name on ALL their books and personal materials.

Chemistry & Physics **IMPORTANT:** Bring textbook **AND** notebooking journal to 1ST class.

- Exploring Creation with Chemistry and Physics Textbook **AND** Notebooking Journal (regular, not junior version)

General Science **IMPORTANT:** Bring 3-book set: textbook, student notebook, and solutions/test manual to 1ST class.

- Exploring Creation with General Science **NEW 3rd Edition** 3 Book Set: Textbook, Student Notebook, & Solutions/Tests Manual
- Alum (1 container; sold in large grocery stores in spice section or near supplies for pickling). Keep this at home.
- Epsom Salt (2 ½ cups) and a bar of Ivory brand Soap (any size) Keep these at home.
- Clean, clear, plastic container that has a recycle logo with a number 6 in it. (Check packaged cracker or cookie trays.) Keep at home.
- Waxed paper (1 box) and 20 clear page protectors (Keep these at home.)
- Galen and the Gateway to Medicine by Jeanne Bendick (Optional, 1st semester extra credit)
- Archimedes and the Door of Science by Jeanne Bendick (Optional, 2nd semester extra credit)

Physical Science **IMPORTANT:** Bring textbook **AND** solutions manual (containing a new test packet) to 1ST class.

- Exploring Creation with Physical Science 2nd Edition Textbook **AND** Solutions Manual **Be sure it contains a new test packet.**
- The Mystery of the Periodic Table by Benjamin D. Wiker ISBN 1-883937-71-X (Optional, 2nd semester extra credit)
- The Ocean of Truth: The Story of Sir Isaac Newton by Joyce McPherson (Optional, 2nd semester extra credit)

Biology **IMPORTANT:** Bring textbook **AND** solutions manual to 1ST class.

- Exploring Creation with Biology 2nd Edition Textbook & Solutions Manual
- 30 "magnetic" photo album pages for leaf collection (Needed in October) Thrift stores usually have them. →
- Human Anatomy in Full Color by John Green (Needed 2nd semester)
- Human Anatomy Coloring Book by Margaret Matt (Needed 2nd semester)

Chemistry **Great Oak Academy has a Chemistry textbook & solutions manual for each student to borrow.** (It is out of print.)

Students will borrow from Great Oak Academy: Exploring Creation with Chemistry 2nd Edition ONLY Textbook & Solutions Manual
